Melbourne Fringe is crossing the river and setting up festival camps south of the Yarra. Look out for passport control as Melbourne Fringe daytrips around Melbourne's inner south.

Melbourne Fringe has more than 30 events taking place in Southbank, South Yarra, St Kilda and Prahran so there will be plenty to choose from for the Fringe Mexicans south of the border.

St Martin's, Theatreworks and Chapel off Chapel, The VCA Gallery, The Butterfly Club, Cromwell Road Theatre, David Williamson Theatre, Gasworks and the grand Astor Theatre are all spreading Melbourne Fringe magic and casting a spell across Fringe South with an array of creativity across art forms.

St Martin's is offering an eclectic mix of performances from opera, theatre, comedy, cabaret, film, art, dance and music. From the intimate Studio space to the delightful Randall Theatre. Expect the unexpected with roving performances or even a game of pool.

Theatreworks is set to explode with St Kilda Bangs! - A curated season of five performances including two double bills of innovative movement, comedy and theatre.

Chapel Off Chapel is presenting six exciting new works with a focus on cabaret plus a high profile comedy, music and performance event.

The third Fringe Inventions exhibition also finds its home in the Chapel Gallery at Chapel Off Chapel.

In addition to the main festival program, Melbourne Fringe is creating a Fringe South mini guide. The guide will consist of listings for all festival events spicing up life south of the Yarra.
