4's KIN

2's Company... 3's a Crowd... but 4's KIN

A hotshot accountant, a charming uni-bum, a fat fkwt & a girl. Better known as Jay, Tim, Dil & Morven. 4's KIN bring together four different HA-HA makers, who have only their love for stand up comedy in common (and, of course, uncommon names such as "Tim"). Each night a different guest comedian pal of their's will pop by the show to ensure that, just like corn flakes, no two will be the same.**

4's KIN is a labour of love for stand up comedians Jay-E-Manne, Tim Clark, Dil Ruk & Morven Smith. These four fresh-faces have made audiences and each other laugh by performing around the Melbourne circuit, and have joined forces to produce a rock-solid hour of live entertainment. It's quite Captain Planetish, eh? 90's nerd referencing aside, they offer different styles of comedy ranging from witty one-liners to personal anecdotes, from social commentary to the occasional knob gag.

Jay's sharp wit and deadpan style will draw you into his own unique world, in which he currently lives alone by himself. Fresh from the Edinburgh Fringe Festival, Morven might seem like a nice girl, but would a nice girl know how to do that with a jelly snake? Tim, with his boyish charm, is the guy you want to introduce to your mother... if you hated the old bat. And nothing is sacred to Dil as he disarmingly lets the audience into every corner of his life, despite there being very few corners that are part of his anatomy.

Over the 15 show run of 4's KIN, they demonstrate why Melbourne is such fantastic breeding ground for quality comedians. Plus, each night, their show will feature a different special guest performer so you never know who you may catch. Or what you may catch.
