Artists for Artist Proof

'Artists For Artist Proof' features the cinematic, visually rich music of Artist Proof as the backdrop to a series of short films and art pieces. The shows explore the themes of love, death and loss in the twenty-first century. By fusing live music, cinema and artwork the shows explore the intertextuality of various artistic media and how these can combine to create new and vivid artistic experiences. The shows will be held at The Workers Club.

Artist Proof is the writing duo of Chris Pattenden and Drew Schapper. The song-writers create cinematic, visually rich music that is deep in emotion and aural drama. They make no excuses for the fact that they create sonic landscapes that are genuinely different combining ethereal high vocals, sweeping orchestral swells, epic drums and powerful, emotional piano lines.

They wear their influences on their sleeves, but use bands such as Queen, Pink Floyd, David Bowie and Muse as constant sources of inspiration, rather than relics to be plundered, ripped-off and repackaged.

Chris and Drew pour their hearts and souls into Artist Proof and care deeply that people get to share in what they create. The pair personally invite you to open your ears and eyes to something that is genuinely new, sounds that are steeped in the traditions of the past but taken in strange and exciting directions, combined with visual art from a variety of media.

With Artist Proof's music as the backdrop to a variety of inspired artistic ventures, the band invites you to come and see a genuinely unique experience that fuses visual art with live sound. The shows will be held on the 2nd and 9th of October at 7pm at The Workers club in Fitzroy.
