## Artland at RMIT

**This Melbourne Fringe Festival, RMIT's Brunswick campus opens its grounds, hallways, foyers, ceilings and overlooked spaces to become a blank canvas for Artland at RMIT. Artland at RMIT is a unique exhibition of sculpture, installations, and temporary art by RMIT students, presented as part of MoreArt – Moreland city council's public art show.**

Students from a wide range of courses, spanning design, fine arts and fashion, will transform the buildings of the university – using the space available to dream up artworks of all kinds.

For three weeks, visitors can explore and discover original artworks, both on the grounds of Brunswick Campus, and all along the Upfield train line as part of the MoreArt show.

As the artworks of MoreArt and Artland at RMIT cover a large area, a recommended way to view the whole exhibition is by bicycle. On Wednesday 12 October, there'll be a guided bicycle tour and tweed ride, providing an entertaining and invigorating way to take in the show!

Artland kicks off with an afternoon opening event: a BBQ and drinks on the central lawn of RMIT Brunswick Campus from 2-5pm, Sunday 2 October

Bicycle Tour & Tweed Ride: 4pm, Wednesday 12 October, Meeting at Gowrie Train Station
