Bart Freebairn in Underground Awesome Quest

This show is called "Underground Awesome Quest". This is mainly because it is Underground, it is Awesome and it is a quest! The quest surmises that we all want love and acceptance. What lengths do we quest to get these things? What is considered Underground and Awesome? Why are things cooler when they are unknown and super fresh?

Ah so many questions to hang comedy off of! So pretty much Bart Freebairn is going to tell stories and jokes while being all underground and awesome. It's a Quest but with more giggles and fuzzy feelings with a dragon thrown in for good measure.

Sit back and laugh as Bart goes all awesome and underground.

From the Raw Comedy National finals to appearances on the Comedy channel and regular spots on triple J Bart Freebairn is on the up and up in the world funny. That's right there is a whole separate world full of clowns, laughter and whoopee cushion mountains and Bart is climbing one of those said mountains making funny noises with every step. This rise in the world of giggles is due to funny fancy things he says across the country. So please enjoy his dynamic, engaging, thought provoking style before he is ruined by fame and fortune. This rising young comedian will take you on a magic carpet ride into his wonderfully chaotic mind to explore our relationship with the extraordinary and mundane. Hold tight and let the fun begin!
