Bobby Macumber, This Is Your Life...

'Bobby Macumber, this is your life' is an insight into 29 years of a weird and wonderful lesbian existence. From a FOBish style Pacific upbringing, discovering one's sexuality, sharing said sexuality with traditional, conservative parents, through to relationship issues and internet dating. These stories will be shared in roughly chronological order with a trademark warm, self-deprecating style. Bobby was a 2011 Raw State Finalist.

Bobby Macumber started her Comedy career around 12 months ago and has since had the opportunity to share some of her life stories with crowds around Melbourne's Comedy scene. Bobby's mum's impersonation would have to be the crowd favourite so far, but there are plenty more characters in Bobby's life that are just waiting to be introduced in her Fringe Show!
