## CAB SAV

**Sydney's underground performance, drenched in wine**

**Dance, music, performance, wine... extremely entertainment!**

**After an explosive fringe club debut last year, CAB SAV is rearing its sleazy head once more in Melbourne, showcasing the best new performance makers from Sydney and beyond.**

Exploding from Sydney's underground DIY scene, CAB SAV is a short performance/music/comedy/dance/film night- drenched in wine and followed by an epic dance party. This night of high-quality off-kilter performance began in Sydney's Lan Franchis warehouse and gave birth to contemporary performance wunderkinds post, Brown Council, Pig Island, Claudia O'Doherty, Rhubarb Rhubarb and spawned Sydney's Imperial Panda Festival.

With their collective resume as long as a really long metaphor, the CAB SAV team's taking a ONE NIGHT IN TOWN approach to a fun night out. This is one event not to be missed. If you've ever seen anything weird and great come out of Sydney, chances are it came from CAB SAV.
