Candy B - Australian Booty **At large and curvaceous!**

Candy B's debut stand up comedy show will get to the bottom of things and leave everyone feeling that little bit more comfortable in their skin.

A sista with a phat booty finds it difficult to feel comfortable in a world without style, where beauty is based on peroxide blonde hair, where long skinny legs are the "thing" and flat board like bums awkwardly swing. Wow! How can she feel beautiful when she doesn't fit into jeans at Sportsgirl and Surf Dive n Ski?

You see, she has a phat booty like a large part of the sister community and fashion seems to lower her esteem for her self and her love for that ph-phat bootay.

Created and Performed by Candy Bowers - writer, hip hop artist, social innovator, actor, director, arts worker, theatre maker, lyricist and social activist. Her dream is for the Australian stage, page and screen to be a place where everyone feels comfortable, can see themselves reflected and is welcome.

"Candy B is a lady with a killer sense of humour... Everything about this girl is big from her hair to her talent." - The Brag 2009

"Bowers celebrates mixed race through exuberant music and humour and liberal shaking of her beautiful brown bootay..." - 4 Stars, The Age
