## Chameleon

**Chameleon by Brenna Courtney Glazebrook, is a one woman comedy show about Brenna pretending to be something that she's not and her endless quest to fit in with what society deems as normal. It's heaps deep n' shit.**

**At Caz Reitop's Dirty Secret, 80 Smith Street, Collingwood.**

I could go on about how this will be some sort of journey of self discovery and other conceptual bullshit, but I wont bore you with it.

Chameleon will be funny, entertaining and even touching in some parts. I think people will relate to it and (hopefully) like it.

"Glazebrook makes being onstage telling a bunch of complete strangers all of her darkest thoughts look like the most natural thing in the world. She has confidence to spare and a great sense of fun...The writing is sharp and her delivery is seamless." - RHUM

"An articulate, educated, highly functioning comic performer." - The Groggy Squirrel

"Glazebrook is a talented comedic actress and handles confronting issues with spark and theatrical flourish." - The Herald Sun
