Charles Barrington in My Pickled, Pickled Days The Barrington Papers

Charles Barrington and friends presents Charles Barrington in My Pickled Pickled Days. Live from the Tuxedo Cat in the Melbourne CBD, 2009 Raw comedy runnerup Charles Barrington performs his new hour long one man storytelling comedy show. Surreal flights of fancy with an oldtime Hollywood theme from the former MICF Comedy Zone star and all round cad and bounder CB.

My Pickled, Pickled Days. Uncensored ramblings from one of the first and finest Hollywood hell raisers. Writer, actor, director and beekeeper Charles Barrington was a star of the MICF Comedy Zone, a program for rising young Australian comics and joint runner-up of the 2009 Raw Comedy Competition which makes him fifty percent of Australia's second funniest new comedian for 2009. His new show tackles such themes as religion, the law, sex and drugs and Tony Barber.
