Charlie Carbone's Cotton Club

AfterDark Theatre proudly presents a night back in the Jazz kicking 30s; welcome to Charlie Carbone's Cotton Club. It's a shotgun wedding of dinner, theatre and circus. Come in, sit down, relax, have a drink; Charlie's got you covered. At Toppolinos for 3 nights only!

AfterDark Theatre is a newly established performance company, formed with the aim of creating shows that are fresh, inspiring, and creatively diverse. 'Charlie Carbone's Cotton Club,' will be AfterDark Theatre's first dinner theatre show, to be performed every Thursday at the Melbourne Fringe Festival at Toppolinos in StKilda.

'Charlie Carbone's Cotton Club', is a comical story of Charlie and his friends who are trying to keep their club alive. With the recession at its peak, and prohibition being lifted, the gang are finding it hard to make ends meet. So what better way to celebrate going out of business than a party with all your friends? Charlie's got you covered with a night out on the town... Atlantic City style!

The company is comprised of both young, enthusiastic theatre arts graduates, playwrights, and other more experienced performers; all having worked together previously in other projects and companies. Despite varying backgrounds and experiences, all involved are passionate about creating new diverse work.
