## Cracked: Unsocial Networking and Gallus Domesticus

**Gallus Domesticus: Why did the chicken cross the road? To have a second chance? To find true love? Or just to get to the other side?**

**Unsocial Networking: What is on your mind? The social networking phenomenon is on our mind.**

**Wendy Wentworth tells us: 'It's shower time!', but why do we even care?**

**Join these 16 senior Lara Secondary College Students at Club Voltaire, October 2 & 3 at 7.30 pm.**

Our show is a collaboration between 16 senior students after performing their VCE ensemble performances at Geelong Performing Arts Centre in May 2011, which both received an outstanding audience reception and standing ovations.

Lara Secondary College is located in a relatively isolated and low socio-economic area. The Performing Arts has inspired these students to pursue theatre beyond the school context.

I have been working with these students for four years now and am personally inspired by their blossoming creative talents. It has been a joy facilitating these performances and I will greatly miss them when they graduate.

I'm so happy to have this opportunity to take their shows to the Fringe and hope to inspire these students even further through this exciting Fringe experience.
