Electronic Abstraction Abstract Electronics

Electronic Abstractions brings together the crop of Australia's abstract electronic music composers for a night that will open your ears and mind to the possibilities of expanded sound design and composition. The nights roster includes Robin Fox, Cor Fuhler, Cray, VICMOD Ensemble and more. Most of the evenings sounds will be produced on modular synthesisers.

The Electronic Abstractions night is curated by long time Australian electronic artist Ross Healy. He has brought together the crop of Australia's abstract electronic music composers for a night that will open your ears and mind to the possibilities of expanded sound design and composition. The nights roster includes Robin Fox, Cor Fuhler, Cray, VICMOD Ensemble and more. Most of the evenings sounds will be produced on modular synthesisers.

Robin Fox is a Melbourne-based sound and visual artist currently working with live digital media in improvised, composed and installation settings. He will be dusting off his EMS Synthi for the night.

COR FUHLER is a Dutch performer/composer who has recently moved to Melbourne. He has been active in the Netherlands and beyond with his own groups such as the Corkestra, Cortet, trio Fuhler/Bennink/de Jooode, the electronic orchestra Mimeo to name a few.

CRAY (Ross Healy) is an Australian electronic artist who has been releasing records around the globe since 1995. Ross is also co creator of VICMOD Records and VICMOD. VICMOD started out as a group of people interested in building electronic synthesisers and has now expanded into VICMOD ENSEMBLE the live modular act and VICMOD Records.

VICMOD ENSEMBLE is a loose collection of synth nerds who have been performing with their modular synthesisers since 2007. VICMOD ENSEMBLE are the only all modular group in the world!

WILLIAMS & HAYES

Mr Williams is a seasoned musician and veteran of sound synthesis while Mr Hayes is a seasoned computer programmer.
