Enzyme Tower II A DEMUS community showcase

Enzyme Tower II is a showcase of artists brought to you by the DEMUS dark electronic music collective featuring live performances by Cold Divide, Clouds above Chaos, BastiCH, Richard Pilkington, minorarc, DJ Infectious Unease

DEMUS and Melbourne Fringe Festival 2011 brings you a glimpse into the complex secret world of a special breed of musician. Underground musicians are at work weaving audio masterpieces far away from the boundaries of compromise. Designed to uncover a diverse range of talent, the event will feature half a dozen groups of musicians from around Australia, showcasing pieces which could be described as being Industrial, Dark Ambient, Avante Garde, Noise, Experimental, Electronica and more.
