Everybody's Talkin' Presented by Crikey

**Q&A untamed, the 7pm Project uncensored, The Insiders cranked up to 11!
This is Melbourne Fringe's dream Q&A. Some of the best thinkers and opinion-makers from the indie, blog and cultural world discuss the most important issues of our time.**

Hosted by freelance arts journalist, critic and festival director Ben Eltham, the Everybody's Talkin' panel also includes Crikey luminaries Sophie Black and First Dog on the Moon cartoonist Andrew Marlton. Audiences can also expect some fine words from poet, author, comedian and raconteur Ben Pobjie, and writer Geoff Lemon, who edits the literary journal Going Down Swinging. Writer, radio broadcaster and political advisor Clementine Ford completes the panel. All will fight to colonize this Sunday evening with a salvo of ideas, laughs and insights.
