## **Fourplay by Sergi Belbel** **Presented by Vicious Fish Theatre**

**A postmodernist bedroom farce. A married couple purchase a two by two metre bed, with the intention that they will each invite a stranger to inaugurate it. A backwards and forwards game of seduction, rebuttal and dysfunction.**

The fourth play in the Vicious Fish Theatre 'Belbel Project'.  
Thirty-eight scenes alternate between advancing the action in time and taking it backwards. Therefore each scene is played twice, although slightly altered in meaning, and reduced or extended, depending on its context. Belbel challenges the audiences expectations of what they are seeing and allows the audience to use their intellect to challenge their own perceptions on what is occurring.

"Vicious Fish are an independent company to watch out for." - Stage Whispers
