## I Heart Jack

**Starring Anna Lumb**

**Directed by Maude & Anni Davey**

**Music arranged & performed by DJ Lazer Ferrari**

**Direct from the cabaret stages of Paris and London and following her critically acclaimed audience hit 'Big Shoes to Fill,' Anna Lumb brings you a brand new solo work inspired by rock idols, Broadway legends and cult figures reimagined and reinterpreted.**

'I Heart Jack' is a story told in three parts, by three intriguing characters. A surreal escapade through the events of one night - the night they all met! Retold, re-enacted and intricately woven together in a narrative combining circus feats, physical theatre, comedy, text and film.

Exploding onto stages around the world with her charismatic, exuberant and original circus acts, from the Spiegeltent in Australia and the UK, to London's finest cabarets, and even performing with Peaches, Anna Lumb's new solo show is a darkly comical, strangely alluring, gin soaked foray into love and chance encounters. "A fusion of daredevil skills with alt--vaudevillian stage theatrics." (Frankie Magazine)
