Joel Creasey's Late Show

Join the hottest rising star of comedy as he hosts some of the greats of Australian comedy along with the most exciting newcomers. Joel will be joined by, Jeff Green, Greg Fleet, Fiona O'Loughlin, Nick Cody, Jason Chong, Anne Edmonds, Cam Knight and Simon Palomares to name only a few of his guest performers. This is late night comedy at its best, don't miss this hilarious wild ride into the night!

Joel Creasey was the most talked-about comic at the 2010 Melbourne International Comedy Festival: a mere 19 years old, he'd appeared seemingly out of nowhere. But he'd already been at it for a couple of years, starting out in his hometown of Perth in 2008. He was a Green Faces finalist that year, and a RAW Comedy state finalist and Quest for the Best finalist the following year. It's no surprise then that his debut festival show, Joel's Slumber Party, saw him nominated for the Best Newcomer's Award in Melbourne in 2010.

2011 saw Joel return to the festival circuit with his new show Political Animal, in which he turned his clever-beyond-his-years critical gaze towards politics, offering a step-by-step 'Beginner's Guide To Becoming Prime Minister'.

Currently, Joel is one of Australia's youngest, brightest and most sought-after comedians, cutting a swathe through the Australian comedy scene with his fast-paced wit, up-to-the-minute material and engaging delivery.

"Utterly brilliant: switched on, quick, pacy and lots of fun." - Radio 3AW

"I'm blown away. A genius. He either needs a slap or a Helpmann Award." - Fiona O'Loughlin

"Wonderful." - The West Australian
