Knock Off

A blonde, brunette and Japanese guy walk onto a building site. Their mission is to construct a contemporary circus show. Using comedy, circus, parody and music watch as a gym junkie, ninja and reformed hippy endeavour to explore what it takes to make a piece of 'contemporary art'. Watch as 3 high acrobatics knock off!

The members of 3 high acrobatics, who met and trained at the National Institute of Circus Arts, come from very diverse backgrounds. Highly respected in their fields of stunt work, flying trapeze and fire spinning, these three acrobats come together to poke fun at contemporary circus. 3 High Acrobatics use a home renovation show format to deliver their debut show.

Our zen gardener Taka has had a busy preparation with his second child being born eight weeks out. Coming from Japan and over ten years experience as a stuntman, Taka brings a wealth of experience and talent.

Our okka builder Sam started his career as a flying trapeze artist. Having a background in theatre and music Sam brings a comedic element that is priceless.

Chris, our painter, started his career as a hippy. Travelling around Australia fruit picking and fire spinning, he soon turned his hobby into a career. Being the first fire performer accepted into NICA Chris brings a unique creativity and style to compliment this impressive trio.

Three High Acrobatics debut of 'Knock Off' looks to entertain our audience through exciting, humorous and highly skilled circus acts using apparatus such as teeterboard, ladder, manipulation, aerial rope, partner acrobatics, pitching, music and comedy.
