## **Matt and Ted Make Stuff Up (again) This time with Paul as well**

**In 2009 Matt and Ted made stuff up. Who can forget golf with Barry and Tarbs? No one can. In 2011, Matt and Ted are going to make stuff up again, this time with Paul as well, in their new show, Matt and Ted Make Stuff Up (again). Matt Burton and Ted Wilson are going to take you on an improvised choose your own adventure comedy journey, and they're bringing their improvised friend - a man, a musician, Paul Bender!**

Armed with only pieces of wood, Matt and Ted will weave a story based on ideas from the crowd in a show described as a cross between Spontaneous Broadway and Heaven.

And what about these entertainers? Ted, who wrote a Philosophy of Comedy thesis entitled 'Why I write such good jokes', is known to Melbourne. He's announced on NOVA100 FM, he's the face behind the stand-up comedy character that is European Man.

Matt is known in Thailand. He lived on a commune and built himself a house. Before that he won through to the RAW comedy final and ran a comedy room in Hobart called the Playground.

Paul studied music and jazz at the renowned University of Miami. He plays music. He rocks. He rolls.

Put the three together and what do you get? Stuff.
