## Nick Cody in 'Back To School'

**Nick Cody (Studio A) brings high school-related hilarity to the Melbourne Fringe. Each night features some of Australia's best comedians performing stand-up, sketches & songs about high school experiences. So dust off that old school uniform & get your tickets before they sell out...or the bell rings.**

Nick Cody is quickly becoming one of the funniest young comedians in the country. At 24 years of age, he's already supported some of the biggest names in stand-up.

Nick's brand of stand-up offers a unique combination of edgy, thought-provoking material ranging from brutally honest and uninhibited storytelling to rapid-fire and hilarious social comedy. In addition to two sold-out seasons at the Melbourne International Comedy Festival with full-length solo shows *It's Not You, It's Her* (2011) and *Lust Actually* (2010), Nick has recently featured as a guest on *Hughesy & Kate* (NOVA100) and *NOVA's Summer Lovin'* with Ed Kavalee & Tony Martin.

Nick performs regularly around Australia on the comedy circuit and at private and social functions. While his stand-up has been featured on the ARIA-nominated DVD *Dave Hughes Is Handy* (Roadshow), he is looking to record his first CD/DVD later this year.

"Both laugh-out-loud funny and hang-your-head-in-shame funny" - Herald Sun  
"His adult problems are delivered with a hilarious splash of juvenile" - RHUM  
"Charismatic, self-deprecating & warm – the crowd love him!" - Chortle
