## Peter and Paisley Present Two Knights Only

### Peter & Paisley Present: Two Knights Only

'Two Knights Only' tells the story of two amazing heroes Sir Peter and Sir Paisley, up against the greatest of all evil, known only as... The Baron.

Also something called Scarlett. Along the way they encounter other interesting, dangerous and at times weird characters.

It's a tale of love, liberty and knights but most of all, it's about the challenges and rewards that friendship brings.

'Two Knights Only' is a new take on a classic tale of old.

The show is a cross between a play and an improvised theatre piece. So really if you think about it, you are getting the best of both creative worlds.

It will explore the nature of friendship and how it can be shaped and changed by the power of ambition, jealousy and loyalty.

Although Peter and Paisley have not known each other very long, it was clear from the moment they met, it was the beginning of a beautiful friendship.

Peter comes from a strong improvisational and stand up background as well as this he has just recently finished studying Television Production. He has a strong passion for comedy writing and narrative structure and loves having the chance to get up in front of a live audience and perform to them.

Paisley in contrast to this comes from a strong theatre and performance background and just recently finished studying Integrated Journalism. He loves the Peter Sellers nature of this play and enjoys the characterization acting side to it.

The whole show takes place at the best warehouse come venue in town.

The cafe is called 1000 Pound Bend, and is an old warehouse that has been converted into an art gallery, cafe, bar and all round performance space.

This venue was chosen partly because we liked the idea of performing right in the heart of the city but mostly because 1000 Pound Bend is a seriously cool place. It's our favourite place in town to sit, have a chat and grab some tea and a bite to eat.

Peter and Paisley will create a story before your very eyes that will not only intrigue and entertain, but even inspire you...
