## Polly's Waffle

An evening of comedy, music and song

**Polly's Waffle sees ordinary 16 year old schoolgirl Polly Maudlin embarking on her extraordinary first solo show.**

**Performing for 5 nights in Hawthorn, Polly will take her audience on a musical, comedic, thought-provoking and occasionally disturbing odyssey - a journey where one will never be quite sure as to what to expect next!**

**Polly was runner-up in the 2010 Melbourne International Comedy Festival Class Clowns competition.**

Polly will be performing a variety of musical and vocal pieces ranging from the baroque composer Domenico Cimarosa through Fats Waller's famous Alligator Crawl to interpretations of Springsteen and Alicia Keys' numbers.

Prepare to meet the embittered Tooth Fairy as she enters her autumnal years and reflects upon her successes and failures in a dazzling monologue as she finally dishes the dirt on the likes of Peter Pan and Snow White!

Audiences familiar with Polly's work will welcome the return of Brazilian disco-dancing celebrity Pablo. Hotter than ever in his famed 'pink Speedo' Pablo is primed for the Fringe Festival and has added an additional tune or two to his already roof-raising repertoire.

Having recently successfully completed her Grade 8 in piano Polly is now embarking on a Diploma of Music Performance. She teaches piano to students ranging from ages 4 thru 60.

Polly's Waffle is Polly's first solo show. Polly is feeling pumped for the upcoming season and welcomes all to be entertained by her 'waffle.'
