Ryan Walker - Man Up!

Cyber bullying is the latest epidemic affecting our youth.

This isn't a new trend. It's been around for years. Melbourne-based comedian Ryan Walker is believed to be Australia's first documented victim of cyber bullying.* (* his own claim)

He's coming to Collingwood with his debut solo show 'Man Up!', to share his journey from the school yard to his 10 year high school reunion.

Time heals all wounds. Is ten years long enough? In a brutally honest 50 minutes, Ryan reveals the scars of his past, as he attempts to decipher the man it's made him today.

Growing up in the Byron Bay hinterland and now living in Melbourne, Ryan tries to figure out what he's achieved since high school. What has he got to gloat about?

This is a show for anyone who's ever been a victim, anyone who's ever been a bully, or if you just want to laugh at someone else's pain.

Will Ryan run away from his past? Or can he face his demons and, 'Man Up!'?
You'll have to come to find out.

"Most likely to be on the dole in 5 years." - Class of 2000, Mullumbimby High School
