States of Desire

When driven by turbid desire, where would you be?

States of Desire is a cabaret show that will journey you through what it is to be human, finding ourselves in those interesting landmark moments of destiny, compelled by surges of emotion. How did I end up here and who are all of you? Chanteuse Jennifer DeGrassi accompanied by jazz pianist Darrin Archer, will expore these states, interpreting the music of Tom Waits, Leonard Cohen, Jaques Brel and Edith Piaf. Showing at The Butterfly Club, South Melbourne.

States of Desire is a cabaret show that will journey you on an exploration of our emotions that compell us on toward our humanity. Ever wondered "How did I get here and who are you?" Emotional chemicals at some skulduggery one suspects. Drowning not waving, soaring not crashing, but often, and repeatedly unintentionally astounding within the mighty scheme. Lust, greed, deception, seduction and of course love, all endure scrutiny in this lush and engaging production. States of Desire enjoyed a sold out season at the Adelaide Cabaret Fringe Festival earlier this year, playing at The Promethean and La Boheme. The show features Chanteuse Jennifer DeGrassi accompanied by well known local jazz pianist Darrin Archer who appears frequently at Bennett's Lane and other venues around Melbourne. Jennifer has a career background in the field of Jazz/Blues as well as Theatre Cabaret and also works as an actor, and this show is an excellent platform to bring all of these elements together. States of Desire will feature the music of such prolific artists as Tom Waits, Leonard Cohen, Jaquues Brel and Edith Piaf and more, interpreting their music with a little mischief, electric intensity and honesty. States of Desire plays at the intimate and very bohemian Butterfly Club.
