Temporary Eternity and 9 Scars The Space Dance: A Double Bill

'Temporary Eternity and 9 Scars' is a students devised double bill from the full time dance students of The Space Dance and Arts Centre in Prahran. Performed in the Dancehall - a unique dance venue. These works combine a variety of dance styles and explore 2 very different themes.

Temporary Eternity - A dance exploration of our continual struggle against time. To fast forward or slow down, to savour our meaningful moments; in the end, time controls us.

9 Scars - 9 Students undergoing psychological counselling after a traumatic shooting at their school. Set in a counselling session for the students, the piece explores how this tragic event has impacted on each of their lives and friendships.
