## Thank You, Comedy Gods

**Before I step out into the brilliant light, exposed naked before an expecting audience who paid good money to hear a total stranger strut and fret his hour upon the stage, I just want to pray to the comedy Gods.**

**Because what happens next is not a function of talent, hard work, or even chance. But rather, my fate is in the hands of deities who hate me, mock me, pity me, but most importantly, laugh at me. Thank you, comedy Gods.**

Beau's background in sketch and standup weaves together a highly physical, highly visual, highly energetic hour of observational absurdism that will leave you \$15 lighter.

"this guy makes it look easy" - Arts hub  
"Impressive timing and accents" - The Age
