## The Curse of the Kahuna Daddies

**If you appreciate acting as wooden as your tiki and love to hear salty tales while nibbling on some nuts and downing a Mai Tai, then The Curse of The Kahuna Daddies is your ticket! Marvel at how these Island Artistes generate passion and wicked rhythms from the Kahunamatic Home Organ and a couple of rusty trumpets. Beloved kings of the Tiki Island scene, The Kahuna Daddies were banished by the Big Kahuna Himself. Hear their story of woe!**

Part of the rich folk lore of Tiki Island, the Kahuna Daddies spectacular fall from grace led them to be exiled forever by the decree of the Big Kahuna himself. Completely framed by their musical nemesis – Coconut Ice (the Island's biggest Pop star) – The Kahuna Daddies were implicated with the great 'There She Blows Scandal' with one of the Big Kahuna's priestesses.

Drifting on the sea, The Kahuna Daddies were 'rescued' by an innocent looking ship that strangely materialises as a ghost vessel at night - a sex cruise liner that went down in a storm which is haunted by zombie sex fiends. The kahuna Daddies miraculously survived but still live a life of danger as they are constantly on the run from The Tiki Underground!

The Curse placed by The Big Kahuna on our heroes ensures that The Kahuna Daddies have to play clubs and bars to make amends. Stuck with the Kahunamatic Home Organ and a couple of rusty trumpets, Sweet Garry and The Chief have to make do and entertain as many swingers and cocktail junkies as they can if they have any hope of seeing their home land again!

The Kahuna Daddies tell their salty tale with 15 all original tunes! Dance the night away with 'Go Kahuna Go', 'Do The Kahuna' and 'The Kahuna Stomp'. Marvel how these island artistes switch from Bossa Nova to Swing with just a flick of a button!

So, if you hanker for the island life, and bamboo is in your blood, do yourself a favour and get some 'Tropical Strength' entertainment! Don't miss - 'THE CURSE OF THE KAHUNA DADDIES!'
