## Tim Read's Pursuit to Stupidity

**This show is a mix of side splitting stand-up comedy and awesome sound effects from V8 supercars to helium filled blowup dolls.**

**Tim Read is a Darwin based comedian, and not many of those come to Melbourne, so come see this comic from the tropics and join him on his Pursuit to Stupidity.**

This is a show about everyday things but with a funny and decidedly weird twist. Tim Read is a master of sound effects whose shows are full of hilarious voices, brilliant observational humour and odd wacky moments. This award winning Darwin comedian is excited to bring his Adelaide Fringe show to Melbourne so don't miss this comedic genius on his Pursuit to Stupidity.

"He's up there with the Umbilical Brothers" - Adelaide Advertiser

"Very funny guy" - NT News

"Awesome sounds dude" - Jimmy James Aaton
