Join guest speaker James Hewison - for a night of cinema and film industry discussion alongside screenings of local and international short films.

James Hewison's career in film spans twenty years and a range of activities and responsibilities. Until recently he was head of Theatrical Distribution at Madman overseeing local features such as ANIMAL KINGDOM and SNOWTOWN + other successes including THE SEPTEMBER ISSUE, Oscar-winner THE COUNTERFEITERS and surprise Xmas hit, SARAH'S KEY. He was briefly CEO of the Australian Film Industry after having spent six years as Executive Director of the Melbourne International Film Festival. He'd worked variously at Palace and the ABC prior to MIFF.

This opportunity offers a rare insight for emerging film makers and cinephiles alike to take part in an moderated open forum with a stalwart of the Australian film industry.

Arrive early and enjoy a great night of fun and film topped with delicious food and a selection of over 100 cocktails and drinks!
