Visual Discourse Mapping Melbourne and Manchester

Visual Discourses : Part one in a series of discussion points and visual markers using both text and image that make reference to rivers and water ways. These references are linked to the people and their history: in this instance related to the cities of Melbourne and Manchester and the relationship to their water ways- rivers and canals.

NMIT Fairfield

Colleen Morris- colleenm-va@nmit.vic.edu.au

Stephen Pascoe- stephenp-va@nmit.vic.edu.au

Part One of a collaborative visual discourse between a small team of artists from Melbourne and Manchester.
