World Mix Tape The movement.

If you've ever wondered how to pick up girls in China, get rich in India or survive as a homosexual in an Arab family, then World Mixtape is for you. Brought to you by the favourite team member from Channel 7's "The Amazing Race Australia", Victoria's number one amateur comic for 2011, and the MCF's Raw Comedy National Finalist, this brand new stand-up comedy will take you on a hilarious trip around the world.

This seven-night extravaganza will feature three mixed-race Aussies and up-coming comics, Mohammed Elleissy, Khaled Khalafalla and Adam Francis. Brace yourself as they share with you their unique view of the world, its countries, and its cultures.

World Mixtape will be an hour sprinkled with musical wit, absurd marriages between pop culture and world affairs, and deliciously poignant political stabs.

"If there's one act from this year who is going to go on to become a huge mainstream star, it's Khalafalla... If he's not a regular on TV and radio in the next couple of years, I'll print this page out and eat it" - The Age
"Adam Francis is Australia's answer to Demetri Martin. To the soothing sounds of guitar, Francis delivered witty one liners in a polished set with no dead time and plenty of laugh out loud observational comedy. Watch this space" - The Pun
