

MEDIA RELEASE

Music Vs Physics at the Festival Club

Melbourne avant garde hip hop artists Music Vs Physics will perform for one night only at the Melbourne Fringe Festival Club, this Saturday night.

Melbourne based trio, Music Vs Physics work in the spaces between break beats, pulse-basses, samples and heady vocals. Influential in the thriving Melbourne avante garde hip-hop movement (along side comrades as diverse as TZU, Curse Ov Dialect and Symbiotic), this is your last chance to check them out before they leave town to tour Japan.

Free entry

This Saturday, 30 September, 10pm

Melbourne Fringe Festival Club

Cnr Queensberry & Errol Sts, North Melbourne

The Festival Club is home to 14 nights of spectacular live performances, DJs and digital art. From circus to hip-hop and everything in between, the Festival Club is THE place to relax before, after or in-between Festival shows, where you can laugh, chat and cavort 'til the wee hours – with FREE entry every night!
