About Melbourne Fringe

Melbourne Fringe (est. 1982) has a clear purpose and place in the arts community of Melbourne. It supports the development and profile of contemporary arts practices, particularly creating opportunities for both experienced and emerging artists to present new work in front of the largest possible audience. The organisation focuses its activities on the annual Melbourne Fringe Festival, timed for late September - October. Throughout the year however, Melbourne Fringe undertakes ongoing activities which include: marketing the organisation; providing support to Melbourne Fringe artists, information and developmental programs for artists; accessing sponsorship and artistic partnerships; providing hands on training opportunities for artists, technicians and managers; and brokering direct, practical support in venue access.

Our Mission

Melbourne Fringe is an umbrella organisation of, and for, independent artists which celebrates and fosters the development and presentation of new artistic work, across all media. It is an information and resource network which presents festivals and events that have significant cultural impact at a local, national and international level for artists, audiences and the general public.

Our Vision

That Melbourne Fringe will be a vibrant cultural nucleus that is recognised as the generator for the development and presentation of new work in Australia. Artists will engage with the organisation all year round. The annual Festival will remain irreverent and edgy, challenge the status quo and look for new ways to engage and stimulate stakeholders. Every year Melbourne Fringe will set Melbourne on fire encouraging local and interstate audiences to seek out the new, challenge themselves and participate.

- I understand that by volunteering for the Melbourne Fringe Festival, I become a willing representative of Melbourne Fringe. As such, I will respect and abide by the philosophies of the organisation and conduct myself appropriately at all times during volunteer work.
- I understand that the smooth running of the Festival depends on the work of volunteers, and therefore promise to be both punctual and reliable.
- I will endeavour to give the appropriate contact person **at least 24 hours notice** if I am unable to fulfill my commitments as scheduled.
- I agree to undertake any work for the Melbourne Fringe Festival in a responsible and safe manner. If I am unsure or concerned about the Health & Safety aspect of the work that I am undertaking, I will seek advice from a supervisor.
- I understand that all volunteer work will be carried out in a safe work environment, that I will receive a briefing by Melbourne Fringe Festival's Risk Management Officer and that during volunteer work I am covered by the Melbourne Fringe Festival's Volunteers Insurance.
- I will attend a volunteer introduction or briefing session.
- I understand that I will receive no financial compensation in exchange for my volunteer work.
